

## A RESURRECTION PICTURE

**Matthew 27:52, “...And tombs opened, and many godly men and women who had died came back to life again.”**

You may well know the scene....Jesus had died on the cross...and dismissed His spirit in death. The temple veil is split from top to bottom and there is a violent earthquake. What in the world has happened?

The world witnessed at this moment in time, what God had to do to take care of the sins of all mankind...but then something strange takes place in....people who were dead, ...got up. Can you picture the scene in your righteous imagination. The normal everyday working person in Jerusalem, sees some strange sights...and the sights are “people once dead...that are now alive”.

Imagine your dead parent coming back to life, or your dead grandparent, great grandparent. How many were there? The Bible doesn't say. How long had they been dead? Again the Bible doesn't say. But one thing is true...MANY people who once had died...simply came out of their graves...back to life and living once again. We will never be able to imagine it...but this will be a reality SOME DAY. You may go down in death...but if you are a believer you will get up. You will rise from the dead and live forever more.

These sainted dead...walked into Jerusalem and greeted others. What would you do if you saw a dead person resurrected? Yet, to all of us who know Jesus...we will not die, but live forever more....FOR THAT IS THE PROMISE OF ALL WHO BELIEVE IN JESUS. BECAUSE HE LIVES, WE SHALL LIVE ALSO.
