

## **WHEN WE DELIGHT IN GOD**

Psalms 37: 4, Delight thyself also in the Lord, and he shall give thee the desires of thine heart.

Have you ever stopped to think what God would do with you and for you if your life was bent on delighting in the God that created you? God makes it abundantly clear that when our heart is fixed and focused on delighting in Him, loving Him, serving Him, and allowing Him the complete right to our lives, that He will "give to us desires that our in our heart. When our heart is right with God and we are walking with Him, He will "give" out of His wonderful abundance, things that you desire.

What is your desire? Do you need a job, direction, His counsel, wisdom in decision making, to relocate, a partner to walk with through life...in a husband or wife. God wants you to take Him at His word...and ask, and watch Him come through. It is no problem for God to "give" after all the complete earth is the Lord's and all that is in it...but the chief question is....does our heart delight in the Lord....for that answer determines if He can give us what our heart desires.
